THE ART OF PERFECTION

Kirkby Lonsdale
Window Company

WELCOME TO SPITFIRE DOORS,
THE WORLD'S MOST EXCLUSIVE
COLLECTION OF LUXURY
RESIDENTIAL ENTRANCE DOORS.

Our doors are works of art, hand-made exclusively for you by our team of highly skilled designers and craftspeople.

Our unique door collections exhibit an extraordinary investment in time, passion and craftsmanship. Our in-house designers are inspired by the potential they see in combining exclusive materials with simplistic engineering precision. Their intuitive creativity is manifested not only by their superb attention to detail but also by producing technically outstanding doors, that we guarantee will excel in all weather conditions, day after day, for decades.

In constructing World Class entrance doors, our designers push the boundaries of what is possible and through their unbridled innovation we continue to challenge established protocols, whilst respecting the craft of our gifted assembly technicians.

Our biometric readers are extremely easy to programme via our mobile phone App.
